unforgettable never looked so good

welcome

Hello and welcome! We are thrilled that you have taken the time to look at our work, and that you are considering booking us for your wedding. We can't wait to get to know you and learn more about your big day. For now, though, we want to start out by sharing a little about us and what it means to be a Martelle couple. Take a look at this welcome guide, and then once you look it over, let's chat!

about us

We are Martin & Ellen and we've been wedding photographers for nine years. Rather than a long and boring bio, we wanted to share a few 'fun facts' about us so that you can get to know us a little more.

- We met 12 years ago online. Martin lived in Cyprus and Ellen in Nottingham! Thank goodness for skype!!
- We tied the knot on 30 May 2010.
- Ellen also works full in the NHS and Martin is a former Soldier.
- We love travelling and seeing the world together (destination wedding? We're in!)
- We enjoy spending time in the kitchen cooking meals together and also binge watching Netflix series.
- We feel incredibly fortunate to be able to do the work we do and meet so many amazing couples.
- Our family and friends are everything to us and one of our favourite aspects of our job is being able to meet so many amazing people who often become friends.

choosing a photographer

Your wedding day is one of the most important days of your life. We believe that you should choose a photographer that you feel a deep connection with, and whose style of images truly resonates with you.

If you choose to work with us, we promise that not only will you love your images - but you will also have an enjoyable and relaxed experience throughout your entire wedding day.

Over the past few years and 100+ weddings, we have been fortunate to have worked with so many amazing couples! When trying to find the perfect photographer for your wedding, there is nothing better than client testimonials describing their experience they had while working with us.

We work tirelessly for our clients to provide a client experience that is second to none. The testimonials found throughout this welcome guide are only short excerpts from a small sampling of our client reviews.

HOW WE ARE *different*

We aren't your everyday run of the mill wedding photographers. Why? Simply because weddings to us are so much more than just taking awesome photos.

WE CARE. A LOT. WE CARE ABOUT YOU.

We care about giving you an amazingly positive & stress-free experience while working with us.

We care about documenting your day in a very authentic, candid & creative manner that will tell your story for decades to come.

Being in business since 2011 and having photographed over 100 weddings, we've seen it all. This experience gives us the confidence to know that we will capture your day beautifully for you.

Plus, we are always available at any time for questions or concerns, giving our clients peace of mind that their photographs are our #1 priority.

A full-page photograph of a wedding couple standing in the aisle of a church. The bride is wearing a white gown and veil, and the groom is in a dark suit. They are facing each other. The church interior features high ceilings, stone walls, and rows of wooden pews on either side. A blue carpet runs down the center aisle. A semi-transparent white box with a quote is overlaid on the upper left portion of the image.

and groom for who they
truly are and the true
and honest moments of
their wedding day.”*

our style

We are incredibly passionate about wedding photography, and our goal is to capture images that you will treasure for years to come.

Through our dynamic photo storytelling, we showcase the bride and groom for who they truly are, and the true and honest moments of their wedding day. Our clients feel the emotion within their photos, whether through laughter or tears, as they recount the variety of special moments captured through the day.

Our style can be described as clean, fresh, and timeless. We also capture a combination of both posed portraits and candid, photojournalistic style images throughout your day.

destinations

We absolutely love to travel! If you are interested in booking us for your destination wedding or elopement, please get in touch for our detailed destination pricing. Whether you're planning a tropical getaway with your toes in the sand, or an elegant elopement in Paris - we are always ready for an adventure. Minimal travel fees will be added to all destination wedding packages. We would love to talk with you about details and create a custom all-inclusive destination photography package for you!

albums

When you receive your wedding photos from us, they will no doubt look amazing online. However, your images are not meant to stay on your computer! Looking through hundreds of images on the computer can get a little overwhelming, and we believe that you should have something tangible to remind you of your important day. We think wedding albums are the perfect piece of art that will become an heirloom that your family will treasure for years to come. Our hope is that all of our couples will have their own custom album showcasing the best images from their wedding day.

engagement sessions

You may have noticed that we also offer an engagement session. This is because we simply love working with our couples before the big day. Having an engagement session before the wedding will help you get to know us and our relaxed style of posing and shooting. We also love to get to know you two as a couple and interact a little before the excitement of your wedding day. Should you choose this, or if its included, then when you book us as your wedding photographers, we will send you more information about how to prepare for your engagement session with us.

Hollie and Jamie

"Martin and Ellen are unbelievable! They are very professional, but, very relaxed at the same time. They are fun and friendly and made everyone feel at ease. So many guests commented on how amazing they were. They work with you and what you want - nothing was too much. We couldn't have wished for better photographers! Thank you SO much for making our day extra special!"

consultation

Think we're the perfect photographers for you, but have a few more questions that you'd like to ask us about? No problem! We would love to meet with you to discuss your wedding! We often schedule consultations with our couples to chat with them about their big day. This is also a great way to connect and see if we'll be a good fit! Whether it's a phone call, Skype video meeting, or meeting in person – we want to talk with you right away, so let's get in touch!

WHAT TO *expect*

When you decide to book us for your wedding photography, here's what you can expect from us:

1. You will be taken care. Throughout the entire experience, we will help guide you and ensure that you receive the highest level of customer service possible.

Catherine & Chris

HOW MANY *hours?*

Every wedding is different, that's why we only shoot one wedding per day and start with the bridal preparations about 2 hours before the ceremony time through to after the first dance. This will ensure we capture the starting point of the day through to the last reception event. We want to ensure that we can accurately tell the story, from start to finish. Together we will go over any specific wedding details to ensure we shoot everything you want and schedule it in to the day. For example, if your wedding ceremony is at a different location than the wedding breakfast or if you want some photos elsewhere. Once you book with us, we will also discuss more details with your specific wedding day timeline.

Krystle and Rob

"They truly went above and beyond to make the entire experience amazing. Nothing beats having two super talented, fun-loving photographers capturing the biggest day of your life!"

HOW TO *book*

A signed contract & £200 booking fee is required to reserve your wedding date on our calendar. Please keep in mind that we do limit the number of weddings we take on each year and often book up 12-18 months in advance, so please get in touch as soon as possible to ensure that we have your date available.

next steps

Ready to book? Perfect! Let us know and we will send over our contract and invoice for your retainer. Once your contract is signed and the retainer has been received, then you will officially be on our calendar!

We look forward to talking with you. If you have any questions, please don't hesitate to contact us. Get in touch with us here:
